PRESS RELEASE

Press n' Close Shaker Jars

The function of the Press 'n Close Shaker Jars is unique to the traditional shaker jar market. This innovative product pushes the role of the shaker jar to include a patent pending, pop-up lid. In the push of one button, open the lid to remove its contents. Push it again, and its contents are sealed away from dust and moisture. The glass jars come in two sizes: a smaller for salt and pepper and a larger, all-purpose jar.
