Beeswax Candles

Beeswax candles burn longer, are naturally aromatic, sootless, hypo allergenic and actually produce negative ions which neutralize toxins, odors and dust. Our candles are made with 100% beeswax, 100% cotton wicks and do not contain lead. Our line of beeswax candles includes a variety of shapes, sizes, and colors to accommodate an array of events. We carry assorted figures, pillars, birthday candles, votives and tapers. All of our beeswax tapers come in assorted colors and different heights.
